Campus Bulletin

K. C. DAS COMMERCE COLLEGE GUWAHATI ASSAM

From the desk of the Principal.

I feel privileged to present the current issue of K-CIAN for the readers. K-CIAN is a modest expression of the vitality of our Institution which facilitates us in our self-introspection and at the same time help to set goals for the future. We started the new academic session to achieve our set goals which we had achieved to a large extent. In all the academic programmes students performed well. In the Higher Secondary Examinations 2020 the College bagged one State Rank with Ms Sakshi Golcha bagging the 10th position. In B. Com, 366 students secured First Class while in M. Com, 2019, the pass percentage was 97%. Likewise, the BBA and BCA Departments also showed considerably good results in 2019.

Be it sports, cultural events, debate, quiz, fieldworks etc, the College ensures that students are exposed to every learning platform where they can test their own skills. The College is also grateful to all the corporate houses for allowing our students learn the shades and needs of market. Our students have excelled in many regional and national level events. The College is proud of Rahul Pareek who has become an artist and sculptor of international repute. Rahul has entered his name in the coveted 'India Book of Records' and got attention of international artists and media houses. The highlight of this period has been the opening up of the Department of Value-Added Education which was set up with a goal to offer the students something extra during their studentship at the College. Already CA coaching classes are going on. There has been a MoU with the Institute of Company Secretaries of India. A few online certificate courses have also been developed. Our teachers deserve praise for taking part in all these activities apart from honing their own skills. During this period the College also initiated the formalities for opening up of B.A. and B.Sc. programmes under the Gauhati University. Considering the New National Education Policy 2020, this step will surely augment the relevance of K. C. Das Commerce College as an Institution in the coming years.

As an Institution, we felt honoured when renowned educationist and litterateur Professor Nagen Saikia accepted the K. C. Das Commerce College National Teacher Award constituted by K. C Das Commerce College Educational Trust and delivered the 36th Foundation Day lecture on 7th November, 2019. We are also grateful to celebrated scientist, Professor Mihir Kanti Chaudhuri, Advisor to Education Department, Govt. of Assam for agreeing to attend the event as the Chief Guest.

Needless to say, COVID19 has severely impacted almost every spheres of life. I am thankful to my colleagues for acting as covid warriors and rising up to the challenges through our self-developed mobile app and other online platforms. We experienced unbound joy when we could successfully conduct online internal assessment through our self-conceived online software. We organised a number national level webinars including the 37th Foundation Day where the lecture was delivered by Dr. Arup Kumar Mishra, former Director, ASTEC, Assam. Although we had to cancel the NEC sponsored in March 2020, we are determined to organise the same in 2021.

The road ahead is tough and we don't have any option. Post-COVID situations will definitely test our resilience but I am sure, Team KCIAN will always excel.

With best wishes,

Hrishikesh Baruah

NATIONAL TEACHER AWARD 2019

The K. C. Das Commerce College Educational Trust conferred its prestigious National Teacher Award 2019 on renowned education is and litterateur Professor Nagen Saikia at a function held on 7th November, 2019 in the college premises on the occasion of the 36th Foundation Day celebration of the college.
